WELCOME TO KING STREET

King Street is currently undergoing a strategic placemaking regeneration project which aims to restore it to its former glory. Following a period of listening to the Mancunian community, the King Street Partnership has been created to bring together stakeholders such as retailers, multiple landlords, the BID and Manchester City Council in order to work together to breathe life into this much-loved destination.

A new marketing team has been employed to organise regular place activation events, run social media channels and a dedicated website for the scheme. In its infancy, it is hoped that the King Street Partnership will allow for physical transformations as well as improve the all-round King Street experience.

UNMISTAKABLY MANCHESTER. UNMISTAKABLY KING STREET.
